DATE February 20, 1981

REGION V DELEGATIONS MANUAL

1. PURPOSE. This Transmittal provides new material for the Region V Delegations Manual.

2. EXPLANATION. These new delegations are being added to Chapter 8 of the Region V Delegations Manual to implement the major provisions of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act of 1976. The Regional Administrator was delegated the authority to redelegate to the Division Directors certain functions to be performed by the appropriate Division for different parts of the Solid Waste Program.

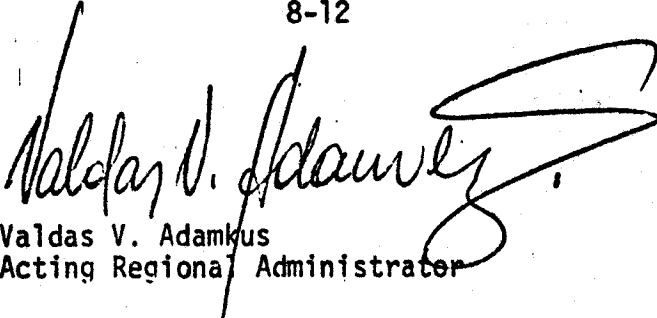

The Table of Contents for Chapter 8 of Region V Delegations Manual lists all the authorities. It shows those which the Regional Administrator cannot redelegate, those which the Regional Administrator is redelegating now, and reserves those which could be redelegated, but are not at this time. Consequently, the numbers correspond to those in the Headquarters Manual.

3. FILING INSTRUCTIONS. Post receipt of this transmittal on the Checklist of EPA Transmittals in the Region V Delegations Manual and insert the delegations in numerical order in the Manual.
